VAVENZI

— INTERIOR & EXTERIOR DOORS —

VAVENZI is a leader in the design and manufacturing of kitchen cabinets, bathroom vanities, millwork and exterior and interior doors for residential and commercial properties. Founded in 2002, the factory comprises of an area of 110,000 sqft, has a dedicated staff of 230 employees and is located in Izmir, Turkey.

We pride ourselves in working with leading European material and technology to be able to provide our clients with the high standards they expect. We have created a unique work place by using the power of high-tech machines and skilled labor.

Vavenzi's team of seasoned architects and design professionals have a vast knowledge of current trends and designs. We are dedicated to providing a professional consulting service to meet all your design and budget needs.

Custom packages can be offered alongside cabinet and furniture packages if needed, so that the final design is truly a unique work of art.

We look forward to working with you on your next project.

— INTERIOR DOORS

High quality interior doors can completely transform the aesthetic appeal of your home. At Vavenzi, our doors are manufactured in our own factory and we pride ourselves on our expert workmanship. Our durable interior doors are custom made to your exact measurements and are manufactured with superior materials, and come with a 2 year warranty. We offer doors to suit the discerning needs of our homeowners, architects, contractors and interior designers. Our functional door types include standard swing doors, sliding doors, pocket doors, barn doors, bi-fold doors, pivot doors and double swing doors to suit your space and style requirements. All our doors have either wood veneer (using real mahogany, oak or walnut woods) or a lacquered finish (a matte or high gloss paint that has been polished afterwards).
